

Benefit Management

Commonwealth Electric Co. of the Midwest, Inc.

Our Mission

Our mission is to create successful retirement plan outcomes for you and your family. We provide a team of dedicated specialists devoted to the areas of Investment Research, Portfolio Construction, Employee Education, and Financial Wellness.

What we do

Through group and one-on-one sessions, we provide the knowledge and tools to help you manage your retirement planning. These sessions address some of the following items:

- Cost/benefit increasing deferrals
- Asset and fund allocation reviews
- Future income projections
- Personal finances
- Social Security and Medicare benefits
